

Prayer for Healing from Racism

Loving God, you hold us in your hands
for we are all made in your image.
Help us to celebrate our differences.
Help us to use our diversity
to share with each other
the richness of our many cultures, languages and backgrounds.
Help us to dissolve racism still found in our hearts and in the Church
and help us work for a loving society
in which none are despised and discriminated against
by virtue of their colour.
We ask this in the name of Jesus, who taught his disciples
to see beyond all human division
and reach out to the good within each person. Amen.
