Dear Chairperson of the Parish Pastoral Council

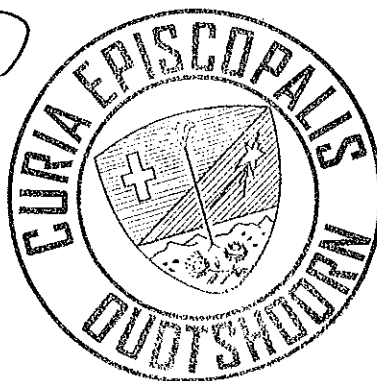

Re: Erratum: omission of text in the Statutes for Parish Pastoral Councils

Article 4 on "Membership of the Parish" was unfortunately omitted from the final text of the *Statutes for Parish Pastoral Councils* as approved and promulgated by the Bishop. Please accept my apologies for this editorial error.

Find included a sheet with the relevant text. It was printed to facilitate photocopying and cutting out. It is to be pasted onto existing copies of the *Statutes*, in the space between Section 8 and Article 5.

May God bless you and the council abundantly in your efforts for the building up of the parish!

Fr. Enrico Parry

Article 4 – MEMBERSHIP OF THE PARISH

A Catholic, who resides within the territory of the parish or elsewhere and is registered on the parish list, shall be deemed a parishioner.
